

## **STATE-ADOPTED PROGRAMS WITH ANTICIPATED FUNDING FOR 2015–16 SCHOOL YEAR**

The State Legislature is currently working on the FY 2015-16 budget which will determine the funding level for instructional materials. Even though the budget is not finalized, the State Instructional Materials Office plans to conduct two Pre-Orders for state-funded instructional materials. The first Pre-Order will begin on April 16, 2015, for schools to order English Language Arts (ELA) 9-12 materials for the upcoming school year. Districts reported their selections for ELA 9-12 in April of last year. Please remind schools to provide PowerSchool student enrollment with their orders.

The second Pre-Order begins on May 12, 2015 and will include the adoption areas that are anticipated to be funded. Districts should begin the process of conducting local selections for the second Pre-Order areas outlined below. District selections must be received by the State Instructional Materials Office before schools can begin placing orders. District coordinators should report their selections on or before April 20, 2015, using the web link below.

In 2011, districts submitted their selections for the following areas that will be included on the second Pre-Order for possible funding. The report of district selections for these areas is posted on the web at [www.mysctextbooks.com](http://www.mysctextbooks.com); and click on the "What's New" link. Please review your district selections and e-mail Kriss Stewart ([kstewart@ed.sc.gov](mailto:kstewart@ed.sc.gov)) if any selection changes or additions are needed.

**Business Management and Administration**

---

**Notes**

---

The lists of the state-adopted instructional materials with anticipated funding, supplemental materials (purchased with local funds), and ancillary materials and services (free-with-order) will be posted on the web at [www.mysctextbooks.com](http://www.mysctextbooks.com); and click on "What's New." To the extent possible, publishers have substituted the materials to ensure that schools have the most current editions.

Districts and schools should order examination samples for the district selection areas using their usual process. Updated list of publishers and contact information is posted on the web at [www.mysctextbooks.com](http://www.mysctextbooks.com); and click on the "What's New" link.

Please remind schools to provide PowerSchool student enrollment with their orders.
