

FY 2015-16 Prioritization of Instructional Materials Adoption Areas

On December 10, 2014, the State Board of Education approved the prioritized recommendations for the purchase of new (2014) and unfunded state-adopted instructional materials with one exception. To be in compliance with the Back to Basics Education Act, Cursive Writing will be placed within the fundable range based on the level of funding provided by the General Assembly. The prioritization order will be used to purchase instructional materials for the 2015–16 school year.
